## Code of Business Ethics

This Code applies to Alfatech Technical Design Sdn. Bhd. (“Alfatech”). The Code sets out the five fundamental ethical principles that govern the way in which Alfatech and its employees will conduct business.

## The Five Alfatech Principles

### **Legal Compliance**

Alfatech will comply with all applicable laws and regulations.

### **Honesty and Integrity**

Alfatech will observe the highest standards of honesty and integrity.

### **Human Rights**

Alfatech will respect the Universal Declaration of Human Rights.

### **Stakeholders**

Alfatech will have due regard to the interests of all its shareholders, employees, customers, business partners and communities.

### **Sustainability**

Alfatech will conduct its business sustainably, ensuring safety, health and the protection of the environment.

All persons performing services and/or acting on Alfatech’s behalf where Alfatech has a controlling interest are required to observe the same principles.
